

Ski Trip January 4th & 5th, 2018

Where we will be: We will ski at Beech Mountain Resort which is the highest ski area east of the Rockies. They have 95 skiable acres with plenty of trails for all ski types. There is an additional fee for ski rental and helmet rental. There is outdoor ice skating and shopping at the resort as well.

We will ride up and back on a charter bus. We will be staying at the 4 Seasons at Beech Resort, about 5 miles from the slopes.

Your trip cost will include breakfast at the resort and lunch in the ski lodge. All other meals and snacks are on your own—lunch and dinner on Thursday and dinner on Friday.

We will meet on Thursday, Jan. 4th at 10:00am. We will stop for lunch and rest area breaks. When we arrive on Thursday, we will have dinner then head to the Alpine Village for a session of Snow Tubing. We will ski all day Friday and we will return on Friday at midnight.
