

YOUTH WEEK

Youth Week is our NEW week long summer event! We will invite the rising 7th graders to join us as their first week in the youth group! We will have a different event every day of the week for the youth to participate in. We will celebrate at the end of the week (and summer) on August 5th with our End of Summer School's a Bummer Party. We encourage the youth to participate in as many of the events throughout the week as possible. Each activity you attend puts your name in an extra time for our EOSSAB party prizes (which are always super cool). We love friends so bring them along you'll also get to put your name in another time for bringing friends along!!!
